Term 3 Fee Information

Dear Families,

Tweed Heads Community Preschool currently receives funding in accordance with the NSW Department of Education & Communities “Start Strong” Funding Model. This model provides funding in 2 ways:

Base Funding

- Children in their year before school (i.e. aged four and five years old as at 31 July);
- Partial Base Funding for 3 year olds; and
- Additional “Equity” Funding is received for:
 - Families who provide a copy of their current Health Care Card, Pension Card or DVA card
 - Families with an enrolled child who identifies as Aboriginal or Torres Strait Islander.
 - Children with an eligible diagnosed disability.

Start Strong Fee Relief Funding

The Start Strong Fee Relief aims to deliver 600 hours of fee relief for eligible children enrolled in a preschool program to help reduce the cost. Funding is allocated at discounted rate against your applicable fees and levies. Please note that in line with guidelines for the Start Strong Fee Relief Funding, families who attend more than one service must nominate one of these services to receive the funding.

After reviewing the Start strong guidelines to determine what funding is available to us each year we work hard to balance our budgetary requirements (what’s needed to provide a quality service) with affordability, to ensure we stay accredited and viable both now and in the future.

Taking this information into account, our Management Committee have decided on the following fee structure.

Warm regards

Kim Rollings

Kim Rollings (on behalf of the Management Committee)
Director

Tweed Heads Community Preschool Inc.
